2026 TRAINING CALENDAR

PSOTC

The Peace Support Operations Training Centre (PSOTC) is a NATO-accredited training Centre delivering high-quality courses in three main areas: Officers' Courses, NCO Courses, and Wider Security Sector Courses. PSOTC offers programs accredited or certified by NATO, UN, and EU, as well as university-accredited courses aligned with the Bologna Process. Courses are designed for military, police, and civilian participants, and some courses integrate these components to foster interoperability and shared understanding, contributing to international peace and security.
